Celebration 81

The 1981 Homecoming celebration was a roaring success. Reigning over Homecoming were the King and Queen, seniors Steve Merkel and Lonna Yacabozzi. The highlight of the festive week was the exciting football game in which the awesome Lakers crushed Galien 30-0. A nostalgic dance at the Saint Joseph Annex followed the game. Other activities during the week included Hat Day, Dress-Up Day, Stuffed Animal Day, and the annual Bon Fire. The decorative halls, colorful floats, and the spirited Laker fans helped to make Homecoming '81 an unforgettable event.

Laker pride really shines as the fans cheer on our teams to victory. The Lakers have a reputation for being the loudest, most enthusiastic crowd around. Pep Rallies are a great way to show this unbounding energy. Even the football team provides entertainment this year at our "House of Noise".

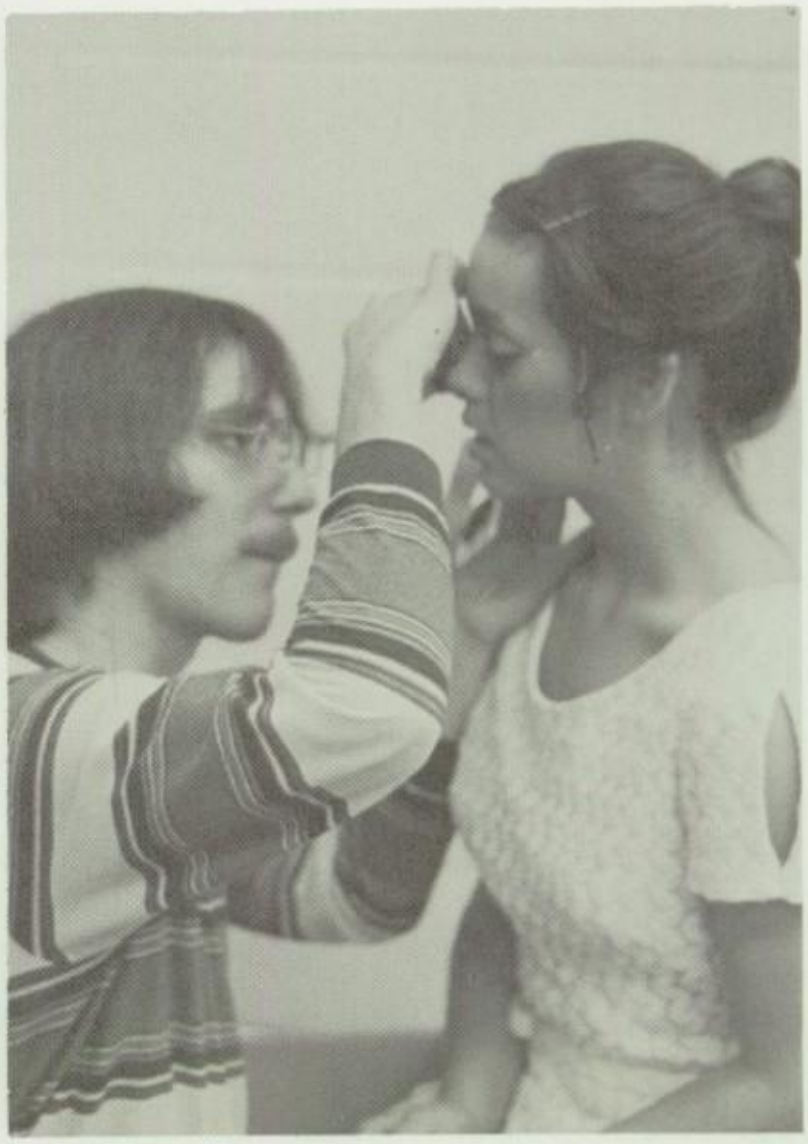
Fall Play —

Mr. Bradley has a talk with George (David Houseal), while Barbara (Karen Ludam) listens.



Terri Hoffman gets made up for her role.

On November 21 and 22, 1982, the three-act play "What A Life" was presented at Upton Junior High School. The play, a comedy about the hilarious adventures of several high school students, centers around Henry Aldrich and his multiplying difficulties. "What A Life" was very well received both nights. Congratulations to everyone who participated and especially to Mrs. Margaret Howard, who put in many hours to make the play a success.

Religion

One of the most important aspects of attending L.M.C. has always been the church services. Mass is a good opportunity to bring the students and faculty closer together. The school year began with a retreat for the entire student body with Father Terry and his crew "The God Squad" conducting many self-discovery exercises. Once again this year, individual class retreats were held. These well-liked "renewals" not only provide for a day of fun, but help all who attend feel better about their class and their place in it.

Students involved in Christian Service at L.M.C. were very busy this school year with Easter Seals, Nursing home visits, the Red Cross Blood Drive, retreats, and helping out at the Community Center in Benton Harbor. It was a lot of hard work, but also very rewarding to see smiling faces filled with gratitude! The students worked for free, and were still expected to keep up with their schoolwork — a big sacrifice. All who participated, however, felt it was well worth it. It was just one of the many ways Lakers get involved in their community.

This year the band participated in the Bands Festival, and held a Christmas concert and also a Spring Concert.

The band would like to thank Mr. Zmudka for his patience and the school for its support.

As a part of junior American History class, the students were assigned a special project in which the events of any decade from the 1920's through 1970-82 would be presented.

The students representing the 1950's from all four history hours pooled their resources to bring the junior class a special event — an authentic 1950's Sock Hop.

The Sock Hop was held on March 26, 1982, in the school gymnasium. Highlights of the gathering included Sue Crowley as Howdy Doody, Mr. Miller as Dick Clark, a rollerskating demonstration by Ron Horton, and a 1950's dance complete with the limbo.

The time the students in the 1950's groups spent organizing the learning-party was well worth it. Not only did the juniors have fun, but they also learned about the wonderful decade of the 1950's.

The Christmas spirit was very evident at L.M.C. this year. The Christmas festivities included a first ever all-school party which featured Sr. Joseph Ann as Santa Claus. This was a very exciting event as students who had participated in the annual Kris Kringle Gift Exchange found out who their mystery person was. The students also showed the spirit of the holiday season by collecting canned goods for the needy. The annual Christmas Dance, sponsored by the cheerleaders, was held at the Rose Center on December 18. Music was provided by Rock 107 and the students had a great time dancing the night away.

Spring Musical —

Kipps (Steve Stoffle) and Ann (Lee Anne Merrifield) sing "Half A Sixpence".

This year's musical, "Half A Sixpence", was a great success. It was held at Upton Junior High School on May 13, 14, and 15, 1982. Mrs. Margaret Howard directed "Sixpence", a comedy tracing the adventures of Arthur Kipps, a draper's apprentice in England at the turn of the century. The play displayed L.M.C.'s talented actors, singers, and dancers. Congratulations to all who participated!

Mike Simaz shares a happy moment with his father and coach after winning the state title. He finished with an impressive 45-0 record.

This year's wrestling team was quite an improvement over last year's. There were more than enough wrestlers to fill the thirteen weight classes. The team won the conference and placed second in the Berrien County Tourney. Vince Murphy, Paul LaValley, Tom Martinic, and Ray Watts advanced as far as regional while Chip Woolley and Mike Simaz went on to state competition. Chip placed seventh while Mike won the state title. Mike's state crown was the first ever won by an individual at Lake Michigan Catholic.

For some people, last year, classroom architecture was the thing. This little known art was practiced by Jack Holbert, Mike Ziebarth, and other male comrades of the junior class. They practiced in Mrs. Cook's room early in the morning before all the students arrived. The Leaning Tower, Monolith, and Inverted Room were some of the works done by these illustrious architects.

The Lakers went on to lose a tough 55-51 double-overtime game against River Valley in the regional contest. The team was led by All-Conference players Dennis Kiewel and Gary Blough. Blough was named to the All-County team too, and was chosen the team's Most Valuable Player. Congratulations to Coach Briggs and the team members for another super season!

Ski Club

Members of the Ski Club enjoyed skiing this year at Royal Valley Ski Resort in Buchanan, Mi. The season began in January and ended in mid-March, with members skiing every Wednesday. Most skiers rented their equipment at the resort while others provided their own. The highlight of the season was the weekend trip to Caberfae Ski Resort in Cadillac, Mi. About forty students participated in the fun-filled weekend of skiing, eating, and sleeping (though not much). It was a great way to end the successful season!

The Laker track teams did an outstanding job this year. Both the girls and the boys captured conference crowns. The girls' team was led by Karen Takacs, who placed fourth in the 200-meter dash at state. The 800-meter relay team consisting of Karen Takacs, Lisa Watts, Connie DeWitt, and Myriam VanSteenlandt, was also very strong throughout the season. The boys' team was led by Paul LaValley (shot put), Ray Watts (discus), Joe Visin (pole vault), and Eric VanSteenlandt (800-meter run). Congratulations to the successful teams and their great coaches, John Carr and Tim Gentry.

With many new faces last season, the girls' softball team, under the direction of first-year coach Deb Schmid, had an overall record of 9-10. The girls still managed to finish with a more-than-respectable third place in the Red Arrow with an 8-4 conference record. Kris Pantelleria, Kim Root, and Laurie Winnell captured all-conference honors.

Tennis

The tenni team had a good season with an over-all record of 6-7. Mrs. Sandy Bevilacqua was the head coach and Mrs. Nancy Conybeare assisted. L.M.C. hosted the Class C-D tournament, in which we placed third out of eight schools. The team was led by Barry Conybeare, who finished first in regional competition and was named the team's Most Valuable Player. Darin Norton was selected the Most Improved Player. The team has many lettermen returning next year and it should add a lot of excitement to the sports program.

Class Night for the graduating class of 1982 was held on May 26, 1982. Saint Joseph Catholic Church was the site for this annual ceremony which included several student addresses as well as a presentation of awards. On May 28, 1982, the entire student body celebrated their last mass together. It was a fitting end to the four years of high school they had spent with each other. The seniors then went to the Rose Center for a delicious breakfast prepared by the freshman class.

May 30, 1982, marked the finale. The commencement ceremony was held at Saint Joseph High School, with Mark Siljander as guest speaker. The good and bad times culminated in a sentimental occasion as the graduates celebrated their accomplishment. We extend best wishes to them in the coming years.

Col,

It's going to be really hard to write because it's really late and I'm really tired. Well, guess what? We're seniors, and also st.ll Friends. Isn't it great how two friends can be so close. I'm really glad that we're Fr.ends (and always w.ll be) because we will need each other in the future. I know we'll have a w.ld senior year so stay as cool and sweet as always. Good luck w.th Dan and your future.

"83" Love Always,

P.S. This is worth BRUCE
2 yearbooks. (Ha, ha.)

Hey you looney you! I'm so glad we became such close friends, and I'll always remember our crazy times. Remember our "4F" notes to John Monte? (Cauliflour) or our "wild" slumber parties? How about ski trip ("misty, will you quit moaning!!") and then there's our first "all-nighter" after prom. There are are so many!! I could just go on forever. We've got to keep them coming, only better than ever seeing it's our last year (each year we become more daring!) Please, let's make it a point this year to grow closer, not more distant! You're one of the best friends I ever had. and I love you looney!

Brenna '83

Colleen,

You are a very pretty gril and alot of fun to be around, because you do know how to have a good time. High School days are almost over thank God, cause I thank School is the most boring thing right know. But still there is college witch sounds good because we will be abele to do alot more on our own. So work hard at what ever you do then you will know you done you best and that always make you feel good about yourself. Hope to see you around and when we do see eachother we can have a good time toggather. I will stop in to see you sometime for Shure this time if I know you are around, Good Luck and don't change your way. Love Ya John

Colleen,
I am so so happy we are beginning to be closer friends. Remember Summer of 8th Grade all the plans we made to hang out together in 9th Grade. I wish I could of been more there. I missed ya! I would not much rather to say except, Good Luck with Danny. Well mind - till get ya bar.

Love Brenda
